

Student Name _____ School _____ Grade _____

2018-2019
STUDENT INTERNET ACCEPTABLE USE AGREEMENT

The internet is an electronic means linking computers and computer users throughout the world. Internet access offers opportunities for student research and learning. The guidelines below promote positive and appropriate use of Internet access in the Orinda Union School District. The use of the Internet is a privilege, not a right. Inappropriate use may result in a cancellation of privileges. Disciplinary or legal action could possibly be taken.

STUDENT RESPONSIBILITY GUIDELINES

- I. **Be polite.** Always use language in your message that you know is appropriate and respectful. Remember you are a representative of this school and what you say and do is viewed globally on the Internet. Never send, or encourage others to send, messages that are abusive, rude, or obscene. Remember you are a representative of your school when you are online.
- II. **Use the Internet appropriately.** The Internet is only to be used for educational purposes to enhance student learning. Examples include: electronic communication with other students and schools, research tools, educational discussion groups, and online collaborative curriculum projects.
- III. **Keep personal information private.** Be safe and protect your privacy and the safety of others by not sending any message that includes personal information such as home phone number or address for yourself or any other person. Report to the instructor any person who asks for personal information.
- IV. **Web Content Filtering.** Orinda Union School District uses content filtering software to limit student access to inappropriate material. Any attempt to disable or tamper with the settings of this software will result in the loss of Internet access privileges. Any attempt to change Internet browser security settings could result in loss of Internet access privileges.

Student Responsibility

I understand my responsibility for appropriate network and Internet use while at school and understand this Internet Acceptable Use Agreement for the Orinda Union School District.

Student Signature _____ Date _____

Parent Responsibility

It is the responsibility of the parent/guardian to address with their child acceptable uses of the Internet and any additional boundaries of what is considered acceptable use by members of their family.

I have discussed and explained this Internet Acceptable Use Agreement with my child.

Parent/Guardian Signature _____ Date _____
